Welcome & Chair Report

ESACT General Assembly

Welcome & Chair Report

ESACT Executive Committee | 2022-2024

Important topics discussed:

- Sustainability of meetings and our industry in general
- Adapting course spectrum to up-to-date needs
- Update of Website content and structure
- Transitioning into professional administration – the ESACT Back office
- Changes to our statutes

ESACT Medals 2024

Recognizing *many years of active support to ESACT*

Paula Alves

JAAC

ESACT INOVATION AWARD 2026

Call for more nominations

Please start thinking about a person/persons or a technology that really made a change in our field over the last 15 years

In case of a technology – identify the people that actually developed it

ESACT COURSES

ESACT General Assembly

Four Courses in 2023

13TH EDITION
ANIMAL CELL TECHNOLOGY COURSE
17-21 Sept 2023, Llafranc (Spain)

Photos: www.ibet.pt

Organizers:
Francesc Gòdia, UAB, ES
Paula Alves, iBET and ITQB NOVA, PT

3RD EDITION
**BIOPROCESSING & MANUFACTURING
GENE AND CELL THERAPY PRODUCTS**
24-28 Sept 2023, Llafranc (Spain)

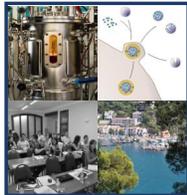

Photos: www.ibet.pt

Organizers:
Eric J Kremer, CNRS, FR
Joaquim Vives, Servei Teràpia Cel·lular at BST, ES
Margarida Serra, iBET, PT

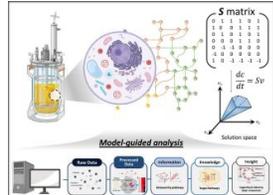

8TH EDITION
**CELL CULTURE BASED
VIRAL VACCINES COURSE**
1-5 Oct 2023, Llafranc (Spain)

Photos: Photos: ETH & MPI, Magdeburg, DE
www.ibet.pt

Organizers:
Amine Kamen, McGill University, CA
Yvonne Genzel, Max-Plank, Magdeburg, DE
Laura Cervera, UAB, ES

*** NEW * NEW * NEW ***
**METABOLIC AND BIOPROCESS
MODELLING FOR ANIMAL CELLS**
15-19 Oct 2023, Llafranc (Spain)

Organizers:
Dong-Yup Lee, Sungkyunkwan University, KP
Cleo Kontoravdi, Imperial College, UK
Emma Petiot, Université de Lyon

Many thanks to Coordinators, Lecturers and ESACT Office

Deadline for 2024 Courses coming soon: 2nd July

Some vacancies still available, so apply NOW !!!

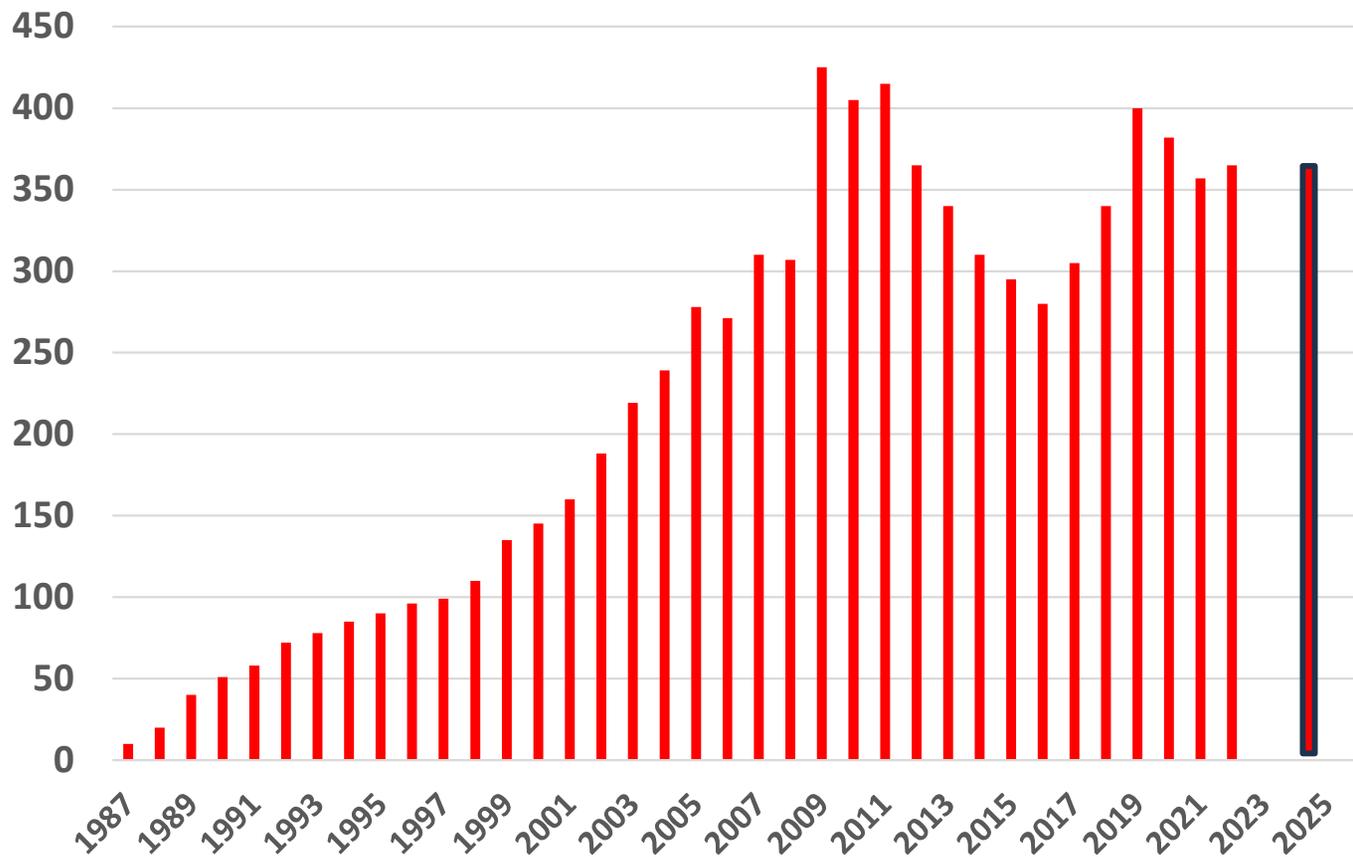

Secretary's Report

Active ESACT members 1987-2024

June 2024: 365 active members

In the first half of 2024, 59 new members have joined ESACT.

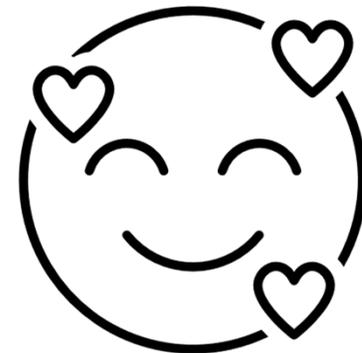

ESACT Administration

Professional back-office "Remember" engaged since 2022, along with IT support

They support us in many ways, hereunder:

- Bursaries, Memberships and ESACT courses administration
- **Newsletters** which are sent out every 3-4 times per year on topics such as:
 - ESACT courses announcements; ESACT2024 meeting; Frontiers Retreats; New initiatives
- ESACT members specific announcements and elections
- On top, LinkedIn is used increasingly to advertise ESACT activities

ESACT Activities

ESACT 2024 pre-conference crash course: ACT in a Nutshell

Practical cell cultivation course, organized by Emma Petiot in Lyon, September 2024

ESACT.org website re-launch planned towards the end of this year

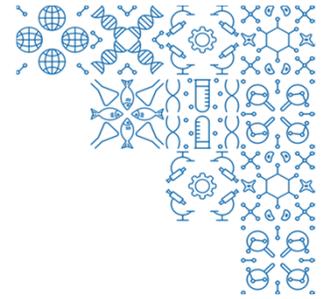

27th ESACT Meeting
Lisbon June 2022
Final Report

Key Figures

1018 Participants from 32 countries:

- 186 ESACT members
- 283 ESACT non-members
- 55 students
- 56 bursary winners
- 318 exhibitors

Honorary Member ESACT 2024

Congratulations

to Dr Alain R. Bernard for his election as Honorary Member of ESACT based on his multiple contributions to the society over many years

Alain R. Bernard

Amendment to the Constitution

ESACT General Assembly

- It all started with the name change
 - Current version of the statutes makes any change impossible as it requires 75% of the members to vote
 - That would be 275
- In addition, this version contained several outdated rules that are not up to modern digital times
- Vote put to members to accept the new version of the constitution

Members' Comments/Suggestions
